- Product name
- Product part number on pack and batch code/production date on label

WARRANTY: Motospecs recognises the importance of customer confidence and satisfaction in the quality of its products. Fuelmiser Fuel System Components are warranted against faulty materials and workmanship when used for their designated purpose for a period of 2 years or 40,000km from date of fitment, whichever occurs first. This excludes filters, which are warranted for the service life as recommended by the manufacturer. Warranty does not cover faulty fitment. This warranty does not cover damage by misuse or improper installation. Motospecs will not accept liability for labour charges or consequential losses incurred as a result of the failure of this part. This warranty is additional to any conditions or warranties implied by the Trade Practices Act, 1974 (as amended), or any State Consumer Protection Act.

CLAIMS must be submitted through the distributor accompanied by the faulty product, proof of purchase and the reason for the failure.

CREDIT for items supplied as ordered will be at the discretion of Motospecs.

FREIGHT charges on returns will be borne by the customer.

COPYRIGHT NOTICE: Motospecs is the owner of Copyright in this production, including layout, drawings, photographs, text and part number systems. All rights reserved. No part of this catalogue may be reproduced or copied in any form by any means without the prior written permission of Motospecs. ABN 97 097 993 283. This catalogue has been prepared for the Australian and New Zealand markets and whilst every care is exercised in compiling these recommendations, they do not form part of any contract. Due to vehicle production changes and supersessions, Motospecs does not accept any claim arising from the interpretation of information or any claim in respect to vehicles, equipment and/or published references. Dedication This catalogue is dedicated to Peter Drewitt.

The Motospecs team acknowledges the fine efforts of the late Peter Drewitt who developed this catalogue. Sadly Peter passed away on 31 May 2010 after a courageous fight against illness. Peter completed this work days before his passing.

He will long be remembered by his many friends at Motospecs and in the industry.
